Hawke's Bay is the oldest wine region in New Zealand and the second largest. Located at 39.4°S, in the North Island of New Zealand, the climate is maritime and similar to Bordeaux. It is New Zealand's leading producer of full-bodied red wines. Red wines dominate, with 88% of New Zealand's production (tonnes) of Merlot, Cabernet Sauvignon and Syrah grapes in 2016. We also specialise in rich, complex Chardonnays.

The warm Mediterranean climate, endless days of sunshine and over three million acres of rolling hills is the perfect setting to some of the world's most delicious wines. You'll visit three of Hawke's Bay's most acclaimed wineries – Sileni, Abbey Cellars and Mission Estate Winery. After boarding your air-conditioned motor coach travel south out of Napier and into the heart of this wine country. Hawke's Bay	<p>Named by Captain Cook, the Cape is home to the world's largest mainland gannet colony - over 1,000 nesting pairs are on view. Your return route features a narrated drive through Napier's historic Art Deco District. Arriving at Cape Kidnappers Station, a privately-owned hill country farm, you will be driven across the farmland to within a few feet of the gannet sanctuary at Cape Kidnappers. As you traverse river beds, broad rolling pastures, steep gullies and breath-taking inclines, your guide will provide you with a full commentary about the area and life on this 4,500 acre farm which stocks over 8,000 sheep and breeding cattle, as well as encompassing an 18-hole international golf course.</p>
